

This reference document provides a list of Florida FirstNet Survey questions to assist respondents in compiling the requested information in advance of completing the online survey. Notes corresponding to some questions will also help explain how to respond.

1 FLORIDA FIRSTNET SURVEY

You were identified as the lead representative of your agency for wireless broadband communications. The Florida FirstNet Data Collection Project is tasked with capturing information about your agency to assist in the development of the Nationwide Public Safety Broadband Network (NPSBN) operated by FirstNet.

Why you need to participate:

Please complete this online survey to provide basic information about your agency and its broadband use. The survey requests information about the number of employees, vehicles and wireless devices associated with your agency.

Assuming that this information is readily available, the survey should take 10-15 minutes to complete.

Thank you in advance for your participation!

1.1.1 QUESTION 1 OF 6

Fields marked with an * are required

Agency Information

Please enter your name and contact information.

First Name *

Last Name *

Email *

Phone *

Job Position/Title *

Are you responding on behalf of a State Agency?

☐ Yes

☐ No

Are you responding on behalf of a Tribal Agency?

☐ Yes

☐ No

In which county does this agency reside:

--Select--

Choose your agency:

--Select--

Please enter your agency if not listed:

Please choose the category that best describes the function of your agency. (Select one)

☐ Dept of Transportation

☐ Emergency Management

☐ Emergency Medical Services (EMS, Mass Care, Ambulance, Hospital)

☐ Fire (including Rescue, & EMT)

☐ Law Enforcement (Sheriff, Campus Police, Highway Patrol, Corrections, etc.)

☐ Public Works

☐ Utilities

☐ Other Public Safety Supporting Agency (Please Specify Below)

Any agency that uses Land Mobile Radio is considered to be a public safety agency.

Specify Agency Function:

Operational Jurisdiction/Area

Please indicate your primary area of operation (i.e., the area for which your agency has primary responsibility). If your agency operates countywide, please select your county from the list. Do not include areas where you provide service on a secondary basis (e.g., area served on a secondary basis in an adjacent county via a mutual aid agreement)

*Note: If your city is not in the list select the county option.

Your County Areas:

If your agency provides service as the primary agency in other areas, please describe that area here (e.g., law enforcement agency under contract to provide service in an adjacent city):

If your agency anticipates changes in your primary area of operation in the future, please identify them here:

1.1.2 QUESTION 2 OF 6

Please provide the number of personnel and vehicles within your agency or department. This will help us better gauge the potential number of subscribers for wireless broadband services.

Full-Time Employees

Part-Time Employees

Volunteers

Vehicles for Operation (Govt. owned or leased)

1.1.3 QUESTION 3 OF 6

What procurement vehicles for broadband services are used by your agency or personnel? (Check all that apply)

- ☐ GSA Contract
- ☐ Statewide Contract
- ☐ County Contract
- ☐ City/Local Contract
- ☐ Personal or Private Contract (ex. Friends & Family)
- ☐ Other Contract

Please specify the other procurement vehicles used by your agency or personnel:

Which wireless carrier/provider is your agency contracted with? (Check all that apply)

- ☐ AT&T
- ☐ Sprint
- ☐ T-Mobile
- ☐ Verizon
- ☐ airPowered
- ☐ Alternative Choice Wireless
- ☐ Areyouonline.Net
- ☐ Cellular South
- ☐ Hughes

Example: If your agency requires an aircard for a mobile data computer (State Contract) and all officers are required to provide their own smartphone (Private Contract) that may or not be reimbursed; you would "tick" Statewide Contract and Private or "Friends & Family" Contract.

- ☐ Long Hammock Wireless
- ☐ Myakka
- ☐ PDMNet
- ☐ SVIC
- ☐ The Home Town Network
- ☐ VelocityOnline.Net
- ☐ ViaSat
- ☐ Other

Please specify here:

1.1.4 QUESTION 4 OF 6

Please provide the current estimated number of cellular enabled devices in service at your agency. (This includes all agency-provided devices)

Voice-Only Cellphones:

Smartphones:

Tablets:

USB Modems or wireless card:

Laptop or mobile data terminal:

Hotspot or MiFi:

Vehicle Modems or Routers:

The final part of this question asks for the number of Band 14 devices at your agency. Devices that support LTE Band 14 are not common. Only a dozen or so vendors manufacture these devices today. If you are unsure if the device supports Band 14, please enter zero. The SONIM XP5 and SONIM XP7 are the only known devices available commercially to the general public that have the capability to support Band 14. If you own these devices, please enter the number of SONIM XP5 and XP7 devices you own.

Other:

Please specify the type of device you entered for

"Other":

How many Band 14 (FirstNet's band) devices does your agency own:

1.1.5 QUESTION 5 OF 6

Please provide the estimated number of specialty devices in service at your agency.

Dashboard cameras:

Body-worn cameras:

License Plate Readers:

1.1.6 QUESTION 6 OF 6

Do personnel in your agency utilize the following applications? Select "Yes" for all that apply.

Computer Aided Dispatch (CAD)

☐ Yes

☐ No

☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

Mobile device management/data management☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

Field Based Reporting☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

Office Applications (e.g., email)☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

File transfers (e.g., blueprints, HAZMAT info)☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

Records Management Systems (RMS)☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

VPN to home network☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

Voice paging/one-way notification☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

Database inquiries (FCIC/NCIC)☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

Telemetry/situational awareness (e.g. AVL, GPS)☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

Biometrics (e.g., Ten-lead/vital sign monitoring)☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

Web Browsing (official; e.g., social media for investigations)☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

Real-time streaming video UPLINK (e.g., dashcam, drone or helicopter video over cellular)☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

Push-to-talk over broadband (not land mobile radio, e.g., WAVE, Jabber, ESChat)☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

Electronic Patient Care Reporting (ePCR)☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

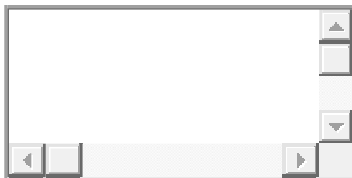

Text messaging/tactical "chat" rooms☐ Yes☐ No☐ Not Known

Please provide the name(s) of the application(s) you use for the above application (separate each application name with a comma):

Estimate the approximate number of minutes per 8-hour shift this application is used:

Thank You for Participating!

If you have any questions or comments regarding the Florida Data Collection Project please provide it here.

A large rectangular text input field with a light gray border. It features a vertical scrollbar on the right side and a horizontal scrollbar at the bottom, indicating it is a multi-line text area for comments or questions.
